HOW MUCH TIME…

DO I HAVE TO INVEST IN THIS COURSE?

HOMEWORK DURING THE COURSE

Expect to have **homework** and a **final project** to be done during the course. Changing careers or starting a new career requires effort.

If you just watch your instructor teach, you won't learn.

You have to actively do the work.

CERTIFICATE ISSUANCE

IN ORDER TO RECEIVE THE CERTIFICATE OF COMPLETION, YOU MUST ATTEND AT LEAST **75% OF THE CLASSES** AND PRESENT A **FINAL PROJECT**.

WITHIN 10 MINUTES OF CLASS START = PRESENT

10 MINUTES - 1 HOUR = LATE

1 HOUR+ = ABSENT

IF YOU COMPLETE THIS COURSE SUCCESSFULLY, YOU WILL GRADUATE WITH A CERTIFICATE - BUT REMEMBER **A CERTIFICATE DOESN'T = A JOB**.

WE GIVE CHANCES

… JUST ONCE!

COURSE INVITATION

Invitations to third parties to the course are **not allowed**. No, you cannot invite your friend, brother or neighbor because you think there is room for one more.

There's an application process that we need to adhere to!
